

in partnership with RIF Environmental Pou Te Tau Ihu

**Kaiwhakahaere – Tumahi Moturoa – (0.5 FTE) (2) Nelson
(Co-ordinator – Project Moturoa)**

- We are looking for two exceptional Kaiwhakahaere with a passion for Te Taiao (Conservation).
- You will be co co-ordinating an innovative, collective Iwi initiative in the beautiful Nelson Bays area

Key specifications:

- In depth understanding of the diversity of Iwi and Hapu across Te Tau Ihu and respect for the richness of this diversity
- In depth understanding of te reo me ona tikanga, particularly in the context of Te Taiao
- Experience and understanding of the interface of conservation science and Maturanga Maori
- Experience in working with young adults
- An understanding of the tertiary education system and an ability to deliver outcomes to NZQA standards

The purpose of this role is to successfully deliver the Tumahi Moturoa Wananga and assist in developing a model of delivery that can be shared with others in Aotearoa/NZ.

Successful delivery includes:

- All learners achieve the NZQA qualification offered
- All learners move on to the next step in their pathway, either via employment or further training and/or cadetships
- The programme content and delivery reflect an ongoing interaction between conservation science and Maturanga Maori
- The delivered programme has in place a strong tikanga that allows the students to understand expected behaviour and to build a strong learning whanau for the duration of the programme
- Feedback from Iwi in regard to the programme is positive, generating support for its continuation
- Feedback from employers and partners is positive in regard to student performance
