

# Ngāti Kahungunu Iwi

INCORPORATED

## SENIOR ANALYST ENVIRONMENT & NATURAL RESOURCES

*Ensuring the sustainable utilisation of Ngāti Kahungunu Natural Resources and protecting the Environment are key functions of the iwi Environment and Natural Resources Unit.*

The Senior Analyst of the Environment & Natural Resources Unit will undertake analysis and research to provide high quality advice that will ultimately support and protect Ngāti Kahungunu Taiao interests. You must have an excellent understanding of the relevant statutory frameworks, policies and processes for fisheries and natural resource management and decision making. You should also possess highly developed written and oral communication skills, including the ability to present information appropriately to an audience.

A tertiary qualification in relevant fields such as marine science, business, commerce, resource management or environmental studies is essential and previous experience in the private business sector, policy, and fisheries management or in managing a fisheries asset is desirable.

Interested applicants can obtain a full job description from our website. [www.kahungunu.iwi.nz](http://www.kahungunu.iwi.nz)  
Applications close 4.30pm, 12 October 2018.

To apply, address a covering letter and recent CV to the Director of Environment & Natural Resources, Ngaio Tiuka.
