## **Project Leader for Picton Dawn Chorus Operational Plan Full time Employed Position**

Picton Dawn Chorus is a vibrant, well-managed community group focussing on  
**“Restoring our Native Birdlife Together”**.

- We seek an energetic person to manage activities related to the implementation of a comprehensive operational plan for predator control in the environs of Picton.
- This person will become a member of our enthusiastic management team and will work with volunteers and contractors.
- Full time hours, including field work. Some weekend work may be involved.
- Experience in bush work and predator control is an advantage
- The successful applicant will be required to have computer skills; job-specific training will be given.
- Preference will be given to applicants who have worked in environmental protection.

For further information please contact Pip at [admin@pictondawnchorus.nz](mailto:admin@pictondawnchorus.nz)

Applications will close Friday, July 30, 2021
